*Travel by rail to the heart of the attractive Black forest region of Germany. The tour features a railpass to explore the area's scenic lines and fascinating historic towns plus a cruise on Lake Constance into Switzerland.*

### Thursday 10 August:

Depart London St Pancras mid-morning by Eurostar to Paris Gare du Nord. Transfer to Paris Gare de l'Est for onward journey via Strasbourg and Offenburg to Triberg where we arrive that evening. Stay 4 nights in Triberg, a small town in the heart of The Black Forest, with one unique feature - one of Germany's highest waterfalls cascades down a rock face in the town centre!

### Friday/Saturday 11/12 August:

Full 2 day railpass to explore the beautiful Black Forest area. Visit Freiburg, an historic university town with a fine sandstone Gothic Cathedral, open air market and narrow streets and alleys to explore. August is also the wine festival month providing an opportunity to taste some of the local wines, or travel to Titisee and Schluchsee lakes, both excellent areas to enjoy watersports,

walking or to dine gazing out over the water. Further afield is Tubingen on The River Neckar with its historic gable ended buildings and winding streets rising to the mighty castle overlooking the town. Frequent comfortable trains and circular rail routes enable the visitor to experience much of this region at their own pace.

### Sunday 13 August:

Depart Triberg by rail to Lindau, an island town on lake Constance. Time for lunch and a browse around the small town before we take a 70minute afternoon cruise across the lake to Rorschach in Switzerland. Return to Triberg by rail via Konstanz.

### Monday 14 August:

Depart after breakfast by rail to Paris L'Est via Offenberg and Strasbourg. Transfer to Paris Gare du Nord for the Eurostar service to London St Pancras, where we arrive late afternoon.
